THE EPISCOPAL CHURCH
OF THE HOLY COMMUNION

Did you know that you can now give online?

You can now set up your Pledge and Capital Campaign gifts to automatically deduct from your checking account or credit card each month using our new online directory.

To find the online directory go to:

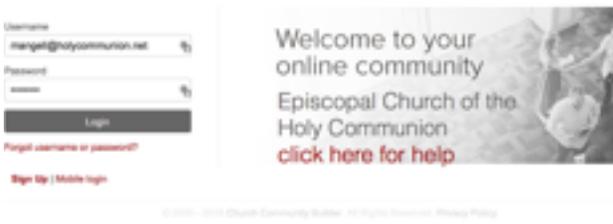

<http://holycommunion.ccbchurch.com>

or you can go to our website

holycommunion.net hover over "Community" in the Menu

and then click "Online Directory."

Signing in to the online directory.

Once you have reached the login page, if you don't already know your password, you can click the link that says

Sign Up

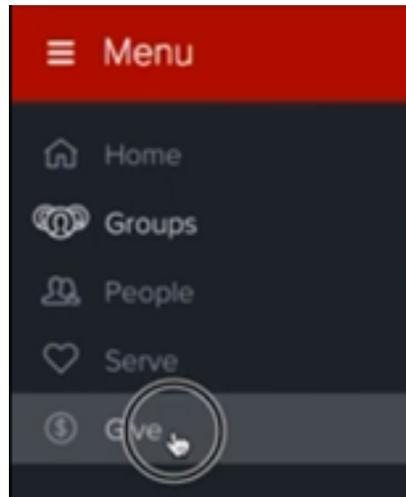

Fill in your name, email address, and phone number. If you have an email address that is already in the church directory, the system will send you a link with your password. If your email is not in the system, an administrator will send you one within a couple of business days.

If you ever forget your password, simply click

[“Forgot username or password?”](#)

type in your email and a new password will be sent immediately to that email address.

Setting up a repeating gift

Once you are logged into the Directory, take a look at the Menu on the left side of your Window. Click on the “Give” Link and it will take you to a new page in the Directory

Here you can choose to make a one time gift to a particular fund, or set up a “repeating gift” using your bank account or credit card number.*

One time gift Repeating gift

Be sure you specify whether you want this gift to count toward your 2016 Pledge, the Capital Campaign, or another fund.

* Please note that Holy Communion pays a percentage of each credit card gift to the credit card companies, so if you can give by Check/ACH, we would be grateful.

If you'd like to set up multiple repeating gifts, say you're setting up a Capital Campaign gift and a Pledge, you can click “add another” beneath the first gift and another entry line will appear.

You can specify your giving to happen weekly, every two weeks, monthly, quarterly, or yearly. You can also tell the system how many total gifts to make. (Select 12 to give a full year if you have selected “monthly”).

Seeing your Online Statement

[GIVE](#) [SCHEDULES / HISTORY](#) [PLEDGES](#)

You can also see your up to date giving history, and any scheduled gifts. Near the top of the “Give” page you'll see another menu, pictured above. If you click Schedules/History or Pledges, you'll see new screens that report on your current giving and the balance of your pledge.

Please note that because the online directory was new for 2016, pledge data from previous years may be incomplete. If you need information or records on your giving from before 2016, please contact the church office.
