

ARCHIVE COMMITTEE REPORT

2017

We are enjoying our new room. It is spacious and well lit.

Our current activities include:

Sorting out and identifying photographs. We discard some because they are duplicates or they are just not good. We have been putting some duplicates on a table in the Lounge for anyone to take. Occasionally we put photos on the table to be identified.

We have an anonymous gift to get some of our very old records stored electronically but so far we have not been able to meet with the chosen company to do than work.

We are happy to welcome a new member, Priscella Harris. The committee works hard at our meetings and many of us take home work to do. Mary Allen writes the minutes of each meeting for which I am so grateful.

Respectfully submitted, Lucy Krieg
