

Children's Chapel

Children's Chapel is a worship environment that gives children a space to pray, sing, listen, wonder, and make meaning out of the Gospel reading each Sunday. In September 2017, we integrated Children's Chapel into the 10:30am service and attendance has ranged from 4-9 children. We gather for Children's Chapel following the Gospel and return to the sanctuary at the peace. This sacred space and time allows children the opportunity to worship through a liturgy specifically designed for them. The liturgy includes songs, prayers of the people, the creed, the gospel reading, and games to help build community.

Thank you to Sally Thomas, Meg Goldstein, Chloe Olliff and Clara Olliff for helping to lead this program.

Thank you to the children of Holy Communion for attending and participating in Children's Chapel.

And thank you to the congregation for your prayers and support of this ministry.

Respectfully submitted,

Heidi Olliff
