

Sunday Morning Breakfast

Thank you to all the past volunteers who have prepared Sunday morning breakfast in 2017. All of the breakfasts have been successful and delicious, and we appreciate the volunteers who made and served the food.

We serve approximately 30 to 40 people each Sunday. Breakfast is served buffet style at 9:00 am. Once the food is set up, we say a prayer of thanksgiving and then people begin to serve themselves.

This is an excellent way to meet and socialize with one another. Adult education, Godly Play, and conversations begin approx. 9:15 am. In this way, food for our bodies is served with food for our souls.

The type of breakfasts served may be as varied as the people who make up our Church family. Any ideas regarding breakfast are welcome; from traditional bacon & eggs, or yogurt & granola, to specialty dishes with a Hispanic accent, to yummy waffles.

Ron and I are here to assist you with any planning shopping, or questions you may have. Jerome Harris is there to assist and answer questions about the kitchen.

At this time, we have a need for new breakfast cooks to sign up thru May. This is a fun and easy way to serve your Church, without making a huge commitment of your time. The food purchased can be reimbursed by the Church.
