

## **Children's Chapel**

Children's Chapel is a worship environment that provides a space for children to pray, sing, listen, wonder, and make meaning out of the Gospel reading each Sunday. Children's Chapel is held most Sundays during the 10:30am service and attendance has ranged from 0-22 children. We gather for Children's Chapel following the Gospel and return to the sanctuary at the peace. This sacred space and time allow children the opportunity to worship through a liturgy specifically designed for them. The liturgy includes songs, prayers of the people, the creed, the gospel story, and games to build and nurture community.

Thank you to Ilena Albarron, Colleen Haggerty, Chloe Olliff and Clara Olliff for their help in leading this program.

Thank you to the children of Holy Communion for attending and participating in Children's Chapel.

And thank you to the congregation for your prayers and support of this ministry.

Respectfully submitted,

Heidi Olliff
