

## Nursery

The Holy Communion Nursery opened on Sunday, September 9, 2018. The Nursery is well used and appreciated. In the Nursery, as in all spaces, we value the presence of children and strive to offer a safe and welcoming environment for them to enjoy. The Nursery is open every Sunday in the program year from 7:50am-11:50am with occasional extended hours on Sundays and for special events. Attendance has ranged from 0-5 children. Our trained and background checked Nursery Staff come to us from [TLC for Kids](#). Thank you to our Nursery staff Ria, Rubina, and Debra.

This year we added an “exersaucer” and play mats for our youngest nursery attendees. We also added Christian music for young children to the space and have plans to add more books and toys that tell the stories of scripture.

Thank you to the congregation for your prayers and support of this ministry.

Respectfully submitted,  
Heidi Olliff
