

FLOWER MINISTRY REPORT

The Flower Ministry has started its 5th year. Member of the flower committee travel to 'florist row' on Saturday mornings to select flower and then arrange them at the Church for Sunday, occasionally arrangements are also done for weddings or funerals. No flowers are arranged or displayed during Lent and Advent but the flower ministry helps with setting decorating for Christmas and Easter and invite the congregation to join in decorating for these seasons. Thank you to all from the congregation who helped with putting up and take down of Easter and Christmas decorations this past year. Anyone who would like to know more about the Flower ministry and joining one of our teams is asked to contact Amanda Diemer are 96360 938-9839 or via email at amanda.kd23@gmail.com.

Flowers for Sunday are made possible by donations there is a sign-up sheet in the Narthex, or one can call the office, or sign up online. It is a lovely way to honor or remember someone. The suggested donation is \$55.00 to cover the cost of the 2 vases of flowers at the altar. I thank our flower team for their ongoing ministry and endless creativity. Thank You - Nancy Adams, Ellis Anderson, Mary Bass, Markie Jo Crismon, Cecily Hawksworth , Lisa Kritselis, Pete Tchoukalef and Alisa Williams.

Respectfully Submitted,
Amanda Diemer
