

# Theology on Tap

Theology on Tap had a great start to the year for 2019. Then in September we learned that we would no longer be able to host our gatherings at Dressel's going forward. We had to re-group, but are excited to re-launch on February 5, 2020 at Schlafly Bottleworks. Thank you to Fran Caradonna for helping find our new locations! We plan to meet the first WEDNESDAY of each month at the Bottleworks going forward. Theology on Tap gathers on the first Wednesday of each month for good food and good conversation. Some of us are members of local Episcopal churches, but not all of us. We seek to create a "low pressure" environment to invite your non-churchy friends for conversations about faith, ethics, politics, and life today. Our rector is the lead organizer of Theology on Tap. You can read more about Theology on Tap on the Theology on Tap page: [www.pubtheologystl.org](http://www.pubtheologystl.org)  
We featured the following speakers and topics:
