

## **ARCHIVE NEWS**

**Because we have been gifted with some money, we plan to have some old records digitized. We have been working with Sue Rehkopf, the very knowledgeable diocesan archivist. She has recommended a person that does this work for her. We plan to set up a meeting with him in February but plans are not in place right now. We will update you as soon as we can.**

**In the meantime we continue to write our church history and mark photos. There are many many photos we need to identify so if you are free on the third Wednesday of each month and would like to help, we welcome you. We meet after bible study and communion in the chapel at 1:00. Lucy Krieg**
