

Children's Chapel

Children's Chapel is a worship environment that provides a space for children to pray, sing, listen, wonder, and make meaning out of the Gospel reading each Sunday. Children's Chapel was held every Sunday during the 10:30am service in January and February. Attendance ranged from 0-12 children. We stopped gathering for Children's Chapel in March when it was no longer safe for us to meet in person.

Thank you to the children of Holy Communion for attending and participating in Children's Chapel.

And thank you to the congregation for your prayers and support of this ministry.

Respectfully submitted,

Heidi Olliff
