

## **Nursery**

The nursery was well used and appreciated in January and February of 2020. In the nursery, as in all spaces, we value the presence of children and strive to offer a safe and welcoming environment for them to enjoy. The nursery was open every Sunday in January and February from 7:50am-11:50am with occasional extended hours for special events. Attendance ranged from 0-5 children. Our trained and background-checked nursery staff came to us from [TLC for Kids](#). Thank you to our nursery staff Ria, Rubina, and Debra.

The nursery closed in March and has remained closed due to the pandemic. We look forward to re-opening the nursery when it is safe to gather in person.

Thank you to the congregation for your prayers and support of this ministry.

Respectfully submitted,

Heidi Olliff
