

## Parish Guild Annual Report, 2021

The Parish Guild has been meeting for Bible study each week this year on Wednesdays at 11 am.

We study the following Sunday's lectionary reading and the discussions are led by our clergy.

Since Covid we have been meeting virtually by phone or zoom. This has worked out well and we have a few people who have been able to join us who would not be able to come to church. We have had as many as 20 people signed in for the meeting, a much bigger gathering than we often had in person.

On a few occasions we met at Oak Knoll Park in Clayton and were able to have a socially distanced gathering with Eucharist.
